

# OCCUPY GATEWOOD!

If you are tired of government of the elites, by the elites, and for the elites, then let's talk.

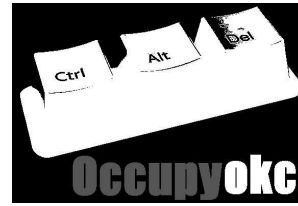

**When:** Saturday, November 5, 10 AM  
**Where:** Gatewood Triangle Park, NW 21 and Indiana

## *Make a sign and bring it!*

Occupy Gatewood is in solidarity with the Occupy Wall Street and Occupy Oklahoma City movements. We want to do our part to take back our government by organizing at the ultimate grassroots level, the neighborhood. Let's brainstorm on how we can participate in our own rescue.
